

# Senior Dedication Ads

2023 - 2024 CMHS Yearbook

Dear Parents and Guardians:

At Crete-Monee High School, it is a tradition to feature senior student dedication ads in the yearbook. As parents or guardians, you have the opportunity to express your appreciation and gratitude to your soon-to-be graduates by placing a personal message in a dedicated section of the Warrior yearbook. Whether you want to congratulate them on their achievements, offer best wishes, or share some final words of advice, this special space allows you to make a heartfelt connection. Many graduates eagerly anticipate seeing these ads and reading the thoughtful messages from their parents, guardians, siblings, teammates, classmates, or friends.

You can choose to either craft your own dedication ad or provide us with the necessary information for us to create one on your behalf. The yearbook will be distributed in the spring, just before the seniors graduate. This gives you the chance to express your pride and love, commemorating your child's journey as they take that significant step into the next phase of their life.

### 1/8 Page Ad

**Justin Brantley**

Our sweet sweet precious baby boy, (yes it will always be our job to embarrass you)

As we looked over photos of the past eighteen years, we reminisced fondly about what a pleasure it has been sharing so many amazing moments with you. Even though you enjoyed torturing your sisters more than we would have liked, we truly wish we could go back and re-live those moments again. But you are ready to spread your wings and fly now, and all we can do is watch and hope that life becomes all you want it to. Just know that we will always be here for you and will support you all the way. Unless of course you want to stay with us, you will be sleeping on the couch, because Mom already has plans to make your room into a home gym, lol. We love you more than you can possibly know!

Dad, Mom, Jessica, Jaylin, Jordan, and Julie (and Patches and Simba too!)
